

PE2V Vertical Dual-Sided Manager, 52RU, 10 in. Wide, White

PE2VD1096WH

The PatchRunner™ 2 Enhanced Vertical Cable Manager pairs ultra-high-density capability and versatility with its unique zero RU patching feature. The partially assembled manager installs easily to speed up deployment. The dual-sided manager has a metal backbone with molded plastic fingers, and includes two full-length metal, dual-hinging, push-to-close doors. The manager is 52 RU, 10 inches wide, 12 bonus vertical RU, and is white.
