

# HyperX Armada Single Gaming Mount (66X81AA)

## Reclaim your desk space and elevate your game!

The HyperX Armada Single Gaming Mount contains a desk mount and ergonomic arm to mount your monitor. It's compatible with all HyperX monitors and most displays that use VESA 75mm and 100mm patterns. Simply attach the arm to the back of the monitor, mount it to the base, and you can rotate, tilt, position, and pivot your monitors to your heart's content. The metal arm and base are solidly-constructed and can support monitors up to 32 inches in size, and 20

### Compatible with HyperX Armada Monitors and other displays

Armada arms are compatible with all HyperX monitors and most displays with VESA 75mm and 100mm patterns.

### Quick and easy setup

Simply use the included tools to attach a display to the pre-attached VESA plate. The desk mount supports 4 arms and displays.

### Superior metal build quality

Don't entrust your monitor's safety to flimsy plastic arms! The Armada arms and desk mount are solidly-constructed out of durable metal and support monitors up to 32 inches and 20 pounds.
