

Ortronics
Swing-Out Wall-Mount Ruggedized Cabinets, 12RU, Perforated Door
Part No. SWMR12RUPD-26-26

The Legrand SWM Series wall mount cabinets provide a convenient and easy to use solution, perfect for secure networks, small data closets, retail, educational, edge computing, and all areas where floor space is limited.

The cabinets are made of rugged welded steel and feature locking doors for PCI compliance in retail applications. The hinged, swing-out middle section provides easy access to the rear of mounted equipment. The SWMR series feature a ruggedized latch and ruggedized hinges to accommodate heavier weight loads. The SWM and SWMR series cabinets are perfect for secure networks, small data closets, retail, educational, edge computing, and all areas where floor space is at a premium.
