

CashDRAWER

CD200

The Cash Drawer CD200 is the ideal choice for businesses needing a compact, medium duty solution. Available as small as 240mm x 280mm x 85mm, the CD200 is small enough to be used in mobile payment stations such as kiosks or food vendor carts. The cash drawer uses a quick disconnect cable to interface with most receipt printers, making installation on snap.

Features

- 3 bill slots, 4 coin slots till.
- 2 lock positions.
- Till constructed of shatter resistant ABS plastic.
- Polyurethane rollers for smooth operation.
