

HyperX SoloCast - USB Microphone (White) (519T2AA)

Easy-to-use USB microphone for streamers and content creators.

For video editors, streamers, and gamers looking for a USB microphone with great sound quality, the HyperX SoloCast is a must have. Get 24-bit, 96kHz recordings with the SoloCast's high bit depth and sampling rate. It's Plug N Play with a USB-C connection, making it simple to use, with some of our fan-favorite conveniences like the tap-to-mute sensor and LED mute indicator. The versatile microphone has a flexible, adjustable stand and is also compatible with most boom arms, so it can either sit on your desk or

Plug N Play audio recording with USB-C connection

Get quality audio recordings with this easy-to-use USB condenser microphone. The cardioid polar pattern is most sensitive to sound sources in front of the microphone and reduces background noise.

Hi-Res 24-bit/96kHz recording

SoloCast supports a high, studio-level bit depth and sampling rate.

Tap-to-Mute sensor with LED status indicator

Simply tap the top of the mic to mute, and the easy-to-see LED indicator lets you spot whether or not you're broadcasting.
