

Rocbolt® Desktop and Peripherals Security Locking Kit with 8' (2.5m) and (2) Keys - TAA Compliant -

Y10C181-B1 (2-Keys)
Y10C181-B2 (2-Keys & Master Key)

Rocstor Rocbolt Premium Desktop and Peripherals Security Lock Kit with 8' Cable - (2) Keys Lock - 8 ft (2.5m) - For Laptops, Chromebook®, Desktops, Monitors, Docking Stations, Projectors, Printers and other compatible devices - Carbon Heavy-Duty Steel Construction - (Master Key Option)

The Rocstor Rocbolt Premium and Heavy-Duty Keyed Cable Lock kit provides an enhanced security for your desktop, notebook, tablet, docking station and peripherals with standard K-lock compatible slot, Rocbolt security keyed locks provide an exceptional asset security and helps to reduce theft.

The Rocstor Rocbolt Premium and Heavy-Duty Desktop and Peripherals Locking Kit system enables you to lock down a desktop computer and multiple peripherals with one convenient kit. This keyed lock kit provides you with a 8' (2.5m) long cable and 6.5mm high-carbon, cut-resistant steel cable for an enhanced security for your Desktop, Laptops, Chromebooks, Monitors, Docking Stations, Projectors and other compatible devices in offices, schools, and other public areas.

The included cable trap secures a wired keyboard and a mouse. Rocbolt security combo locks provide an exceptional asset security and helps to reduce theft. They are tested for torque/pull, foreign implements, lock lifecycle, corrosion, key strength, and other environmental conditions. Nearly thousands of notebooks and other portable devices are stolen everyday - protect your valuable assets by using the 8ft heavy-duty Rocbolt cable keyed lock system. Two (2) keys are provided with each lock system. For PN: Y10C181-B2, 2-Keys for each lock is provided plus Master Keys. Rocstor's Rocbolt provides a strong and heavy-duty lock head which prevents intruders tampering with the lock. Rocbolt lock comes standard with 6ft galvanized heavy-duty steel cable. Rocbolt security cables are affordable and have two (2) year warranty.
