

The HDMI and USB Pass Through Single Gang Wall Plate is perfect for the transition to in-wall cabling. This solution offers a clean, professional look and is ideal for classrooms, conference rooms and houses of worship.

Convenience

The HDMI and USB pass-through ports include thin, flexible pigtails that accommodate the tight bend radius required for installations within a standard junction box.

Durability

Constructed of high quality aluminum, this wall plate is designed for durability and a long life in commercial environments where constant wear and tear causes damage.

Features & Benefits

- Supports HDMI audio/video signals and USB
- Compatible with a standard single gang wall box
- Flexible HDMI and USB pigtails for easy installation in a wall box
- Aluminum construction for durability and long life
