HP P244 23.8-inch Monitor (5QG35A8)

Affordable large-screen productivity

See more of your work onscreen with minimal window toggling on the stylishly modern HP P244 23.8-inch Monitor. It complements your modern workspace with a sleek profile, IPS screen, and 3-sided micro-edge bezels while delivering business-class presentation features and advanced connectivity.

Crisp image clarity for all your content
Easily navigate documents and spreadsheets and work in multiple applications side by side on the 23.8-inch diagonal Full HD screen with vibrant 1920 x 1080 resolution.
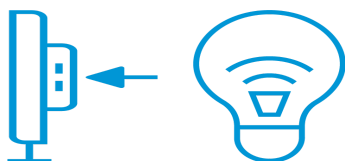

A beauty at any price
Set a new style standard with a sleek design that has a 3-sided micro-edge bezel for unlimited sightlines and virtually seamless multi-display[1] setups. See the screen clearly from almost anywhere in the room with 178° viewing angles.

Versatile connectivity
Quickly connect to your devices and additional displays through the HDMI and DisplayPort™ connectors. Get legacy device compatibility from the VGA connector.

Featuring

Create an efficient workspace
Attach your HP Desktop Mini, HP Chromebox or select HP Thin Client directly behind the display. Keep things tidy with an integrated power supply. [2]

Find your sweet spot
Filter blue light emission and shift colors to a warmer spectrum for more comfortable viewing with HP Low Blue Light mode. Adjust tilt for your best view.

Place it where you need it
Free up valuable desk space with mounting options enabled by the 100-mm VESA pattern. [3]

Complete the picture
Customize a total solution with options designed for your display, like the HP S100 Speaker Bar, which attaches easily to the lower bezel to add stereo audio without the desktop clutter. [4]

Responsibly made
Energy efficiency and environmental sustainability are built into every ENERGY STAR® and TCO certified, EPEAT® Silver registered, and low halogen display. [5,6]
