White wall | countertop mount kiosk with secure enclosure with security cable lock compatibility

SKU: KAA713W
MSRP: \$209.99

The Elevate II iPad Pro 12.9" 4th Gen Wall | Countertop Mount Kiosk is the permanent and secure way to display a tablet in public spaces. The kiosk is permanently installed into any flat surface like a museum wall or lobby front desk. The kiosk body is designed for cable management to uphold its minimalistic footprint.

To account for protecting your tablet investment, the metal enclosure has a built-in lock and key feature to prevent device theft. The kiosk also includes port covers that can be used to block ports from any third-party uses. The wall | countertop kiosk can be paired with optional accessories including the Rotate 90° Module and 270° Module for a variety of viewing displays. This kiosk is also available in black.
