Poly Voyager Office Base (786C9AA)

Overview

Lightweight and comfortable

The Voyager 4245 Office wireless headset system enables your employees to experience high levels of wireless freedom, comfort, and audio quality. Connecting to desk phones, PCs, and mobile devices is seamless.

Power up productivity

Everyone can move freely and collaborate in comfort all day. Multiple wearing options on a single device keep your teams happy—and make for easy ordering and stock control. Bluetooth® technology enables for seamless global wireless deployment.

Unlimited talk time [1]

Never lose that critical connection with your customers due to a depleted battery. Voyager 4245 Office headset system has continuous battery life for unlimited talk time[1]. So, teams stay productive for all-around great customer experience.

Features

More collaboration

Office workers can collaborate more on the move with the extended wireless range of up to 91 m/298 ft.

Convertible design

Office workers will enjoy the lightweight, monaural headset with three wearing styles: Over-the-head, behind-the-head, and over-the-ear.

Eliminate battery anxiety

Conversations stay on track—when the battery runs low, it can be swapped while a call is in progress. And when it's time to swap the battery—visual and audible alerts indicate battery level.

Acoustic hearing protection

SoundGuard DIGITAL uses sophisticated algorithms to provide additional acoustic protection, above and beyond the impulse and long-duration protection provided by SoundGuard while maintaining natural sounding speech.

Easy management via Poly Lens

Take control of your deployment from anywhere via remote management with Poly Lens cloud-based device management software.

Communications platforms.

An IT manager's dream, this headset was created for communication and is optimized and certified to work with top virtual meeting providers.[2]
