

# HP Elite t755 Thin Client (9S4T1UT)

## Overview

### Optimal thin client performance, reliability, and security

Enable productivity with the performance and reliability of the HP Elite t755 Thin Client, featuring advanced security from both cyber- and physical-based attacks for IT peace of mind. Built to support demanding performance with the progressive 6-core 45w AMD Ryzen™ V2546 Processor[1], helping users tackle mission-critical tasks.

### Unleash maximum performance

Elevate efficiency with the progressive 45w AMD Ryzen™ V2546 Processor.[1] Optimized for mission-critical workflows, this fast-performing processor supports seamless productivity.

### Built for mission-critical work

Empower your workforce with thin clients well-equipped with industrial-grade components for reliability and longevity while delivering a seamless user and management experience. Future-ready with expanded peripheral support and device management options.

### Comprehensive security

Fortify critical security apps, data, and projects at the endpoints, wiping out data after each thin client log-in session. Get advanced protection from remote cyber- and physical attacks with a read-only OS and physical intrusion detection.

### Help protect our shared future

The HP Elite t755 Thin Client uses at least 50 percent post-consumer recycled plastics, the keycaps contain 50 percent PCR DVDs[2], and the outside box and cushions are 100 percent sustainably sourced or recycled.[3]

---

[1] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

[2] 100 percent outer box packaging made from sustainably sourced certified and recycled fibers. Fiber cushions made from 100 percent recycled wood fiber and organic material. Any plastic cushions are made from >90% recycled plastic.

[3] Recycled plastic content percentage is based on the definition set in the IEEE 1680.1-2018 standard.

## Specifications

|                                       |                                                                                                                                                                                                         |
|---------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Operating system</b>               | HP Smart Zero Core                                                                                                                                                                                      |
| <b>Processor</b>                      | AMD Ryzen™ Embedded V2546 (up to 3.95 GHz max boost clock, 8 MB L3 cache, 6 cores, 12 threads)                                                                                                          |
| <b>Memory</b>                         | 8 GB DDR4-3200 MHz RAM (2 x 4 GB)                                                                                                                                                                       |
| <b>Memory Slots</b>                   | 2 SODIMM                                                                                                                                                                                                |
| <b>Internal Storage</b>               | 32 GB eMMC                                                                                                                                                                                              |
| <b>Graphics</b>                       | Integrated                                                                                                                                                                                              |
| <b>Graphics (integrated)</b>          | AMD Radeon™ Graphics                                                                                                                                                                                    |
| <b>Audio</b>                          | Internal amplified speaker system for basic audio playback                                                                                                                                              |
| <b>Minimum dimensions (W x D x H)</b> | 5 x 21 x 21 cm<br>(Vertical orientation.)                                                                                                                                                               |
| <b>Minimum dimensions (W x D x H)</b> | 1.97 x 8.26 x 8.26 in<br>(Vertical orientation.)                                                                                                                                                        |
| <b>Weight</b>                         | 1.4 kg<br>(Weight will vary depending on configuration.)                                                                                                                                                |
| <b>Weight</b>                         | 3 lb<br>(Weight will vary depending on configuration.)                                                                                                                                                  |
| <b>Keyboard</b>                       | HP 125 Wired Keyboard                                                                                                                                                                                   |
| <b>Pointing device</b>                | HP 125 USB Black Wired Mouse                                                                                                                                                                            |
| <b>Ports</b>                          | 1 USB Type-C® 10Gbps signaling rate; 2 USB Type-A 5Gbps signaling rate                                                                                                                                  |
| <b>Expansion slots</b>                | 1 half-height PCIe x16 (x8)                                                                                                                                                                             |
| <b>Ports</b>                          | 2 USB Type-A 5Gbps signaling rate; 2 USB 2.0 Type-A; 4 DisplayPort™ 1.2; 1 RJ-45; 1 4.5 mm power adapter; 1 security lock slot                                                                          |
| <b>Wireless</b>                       | Realtek RTL8852BE Wi-Fi 6 (2x2) and Bluetooth® 5.3 wireless card (supporting gigabit data rate)                                                                                                         |
| <b>Protocols</b>                      | Amazon WorkSpaces through PCoIP; Citrix® HDX; Citrix® ICA; VMware Horizon® View™ through RDP/PCoIP, and Blast Extreme; Remote Desktop Services Remote FX (RFX), RDP; Azure Virtual Desktop; Windows 365 |
| <b>Power</b>                          | 90 W smart external power adapter                                                                                                                                                                       |
| <b>Ecolabels</b>                      | EPEAT® registered                                                                                                                                                                                       |
| <b>Energy star certified</b>          | ENERGY STAR® certified                                                                                                                                                                                  |
| <b>Browser supported</b>              | Mozilla Firefox (for models with HP ThinPro); Microsoft Edge (for models with Windows 10 IoT Enterprise LTSC 2021)                                                                                      |
| <b>UPC number</b>                     | 198122050925                                                                                                                                                                                            |
