

ThinkPad E14 Gen 6 (AMD)

Unlock new AI experiences with this ThinkPad featuring AMD Ryzen 7 Processors, ensuring smooth operation and responsiveness for business users when running demanding software or multitasking with multiple applications open. Supported by integrated AMD Radeon 660M or 680M Graphics, users can seamlessly multitask between various applications without experiencing slowdowns or lag. Moreover, with up to 19.59 hours of battery life, users can attend meetings, work on presentations, respond to emails, and perform other tasks for extended periods without worrying about finding a power outlet.

Redefining possibilities with powerful performance and groundbreaking on-device AI

The entry-level ThinkPad, E Series features the famous keyboard and trackpoint, and is MIL-SPEC tested ensuring the build quality for which ThinkPad is renowned.

The HD 2W dual Dolby Atmos stereo speakers provide a rich and immersive sound experience, empowering professionals to collaborate seamlessly with colleagues and clients, while on the move. Additionally, the dual-microphone array, equipped with intelligent noise-cancelling technology, ensures crystal-clear voice transmission during video calls and conferences, even in noisy surroundings.

The optional touch-style fingerprint reader serves to prevent unauthorized access to sensitive business data, providing peace of mind for users who often work on the go. Furthermore, the Kensington nano security slot offers an additional security layer, enabling users to physically secure the laptop with a compatible lock or cable.

Up to 19.59 hours of longer battery life enhances the portability of the laptop. Business users can work on-the-go without being tethered to a power outlet, allowing them to be more flexible in where they work, whether it's during commutes or while traveling.

Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

Expedited Depot Repair Warranty

- Speeds up standard 7-10 business-day depot service
- Get the repaired system back in 3 to 4 business days
- Avoid unplanned expenses when you need a faster repair

Accessories

ThinkPad X1 Active Noise Cancellation Headphones

- Ambient & electronic noise cancellation, integrated boom-less mic for calls
- Bluetooth 5.0 connectivity with USB-C charging in under 3 hours
- Lightweight 214g (0.47lbs) design with memory foam ear cups

PN: 4XD0U47635

Lenovo Powered USB-C Travel Hub

- Connects to a PC through a single USB-C cable which also recharges the device
- Connect to an external display with HDMI or VGA, and other peripherals with 2x USB ports
- Compact 183x100mm (7.2x4") design with integrated cable management

PN: 4X90S92381
