

CUBE Cart® Slim

The CUBE Cart® Slim is designed for maximum convenience with efficient smart charging, large storage capacity, and secure device protection in one sleek, dependable cart. Store up to 42 devices with confidence, our Power Manager smart charger ensures they're all charged quickly and ready when you need them.

CUBE Cart® Slim shown in Platinum (PM)

EFFICIENT FOOTPRINT

Save valuable space in your classroom or office with a smaller footprint that still delivers full storage capacity.

SMART CHARGING OPTIONS

Choose from different power management options to get the fastest charging for your devices.

ERGONOMIC DESIGN

The built-in handle allows for easy maneuverability without sacrificing storage space.

READY TO USE

The CUBE Cart® Slim arrives pre-assembled and ready for wiring at the time of delivery.

YOUR PRODUCT. YOUR IDENTITY.

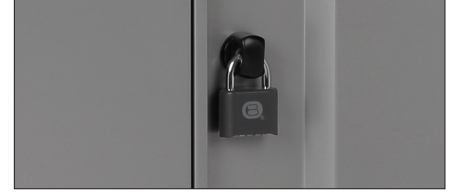

Choose from one of our 16 colors and personalize by branding with your own logo.

LARGE CAPACITY | Holds up to 42 devices, providing all the storage you need in one sleek, space-efficient cart.

270 DEGREE DOORS | Doors fold completely flat when open, keeping aisles and walkways clear.

IMPROVED SAFETY | Features a 3-point locking system, ensuring your devices stay secure even in high-traffic environments.

CABLE BOSS® | Our distinctive cable management system makes wiring quick and hassle-free while keeping cables organized and secure.

BUILT TO LAST | All our mobile charging carts are fully manufactured in the United States.

INDUSTRIAL-GRADE | Features industrial-grade wheels and locking casters, built for organizations that demand durable, reliable charging solutions.
