

ProFit™ Wired Washable Keyboard

Part Number: K75237NA | UPC Code: 0 85896 00471 4

Type, rinse,
repeat.

In busy, shared workspaces, standard keyboards quickly become breeding grounds for germs, grime, and spills, leading to hygiene concerns and potential equipment damage. The ProFit™ Wired Washable Keyboard is the ideal solution, featuring a fully washable and spill-proof design that can be rinsed or disinfected with ease. Rugged yet comfortable, the ProFit™ washable keyboard offers a full-sized layout and a dependable wired connection. Users can focus on their tasks without worrying about spills or germs affecting their workflow, making it the ideal choice for settings where cleanliness and reliability are essential.

- Waterproof design allows for easy cleaning, USB connector should not be submerged
- Meets MIL-STD-810H Method 504.3 Contamination by Fluids testing
- Full-size 104-key layout with numeric keypad
- Antimicrobial coating helps prevent stains and odors on the product surface
- Wired USB-A plug-and-play connection
- Pairs with ProFit™ Washable Mouse
- 3-year limited warranty

ProFit™ Wired Washable Keyboard

Part Number: K75237NA | UPC Code: 0 85896 00471 4

Waterproof, Washable Design

Rated to IPX6 standards, the keyboard's sealed construction allows for easy cleaning under running water or with wet wipes*, while a thin membrane protects the internal electronics from liquids and dust.

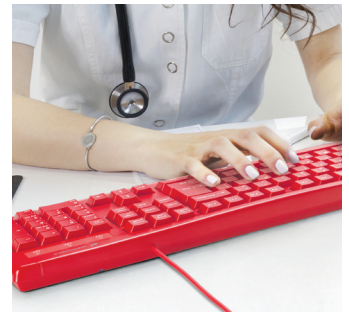

Wipe-Down Protection

Meets MIL-STD-810H Method 504.3 Contamination by Fluids testing, demonstrating resistance to breakdown when exposed to cleaning and disinfecting solvents like alcohol and bleach for at least 24 hours.

Full-Size Layout with Numpad

Offers a familiar full-size 6-row layout with a numeric keypad. Supports efficient data entry and comfortable typing without sacrificing any keys.

Antimicrobial Coating

The keyboard's surface is treated with an antimicrobial coating that helps prevent the growth of bacteria on the product surface that can cause stains, odors, and material degradation.

Wired USB-A Connection

The wired connection ensures a reliable plug-and-play experience. Simply connect the keyboard to any USB-A port and start typing—no drivers or batteries needed. The stable connection eliminates worries about wireless dropouts or recharging, making it ideal for continuous use in critical applications.

SmartFit™ Comfort Made Easy

This keyboard is designed to comfortably fit users of all hand sizes.

Pairs with ProFit™ Washable Mouse

Designed to complement the ProFit™ Wired Washable Mouse for a cohesive workspace that is easy to sanitize.

3-Year Limited Warranty

Built for durability.

*USB connector should not be submerged.
