

# LX Pro Product Specification Statement

LX Pro monitor arms by Ergotron deliver premium ergonomic support with refined aesthetics and simplified installation. Designed for desk and wall applications, LX Pro accommodates single and multi-monitor configurations while enabling smooth, precise movement through Constant Force technology.

MODELS	DESIGN FEATURES
<b>LX Pro Desk Arm</b>	<ul style="list-style-type: none"> <li>• Constant Force motion technology for effortless monitor positioning</li> </ul>
<b>LX Pro Dual Arms (Dual Stacking, Dual Direct, Dual Side-by-Side)</b>	<ul style="list-style-type: none"> <li>• Increased tilt range for improved ergonomic alignment</li> <li>• Rotation stop helps prevent wall or partition damage</li> </ul>
<b>LX Pro Wall Arm</b>	<ul style="list-style-type: none"> <li>• Integrated cable management with added cable cover for cleaner installation</li> </ul>
<b>LX Pro Wall Mount System</b>	<ul style="list-style-type: none"> <li>• Detachable head design simplifies setup and deployment</li> <li>• Compact base maximizes available desk space</li> <li>• Desk-to-wall and single-to-multi monitor conversion options available</li> <li>• Compatible with accessory kits including notebook trays, grommet mounts, and arm extensions</li> <li>• Durable aluminum construction engineered for long-term performance</li> <li>• Backed by a 10-year warranty</li> </ul>

## CERTIFICATIONS AND STANDARDS

- VESA MIS-D compliant (100 x 100 mm and 75 x 75 mm hole patterns)
- Supports monitors within published weight capacities (varies by model)
- Designed for commercial-grade performance and durability
- Meets applicable ergonomic design considerations for monitor positioning
- RoHS compliant

LX Pro is engineered and tested to meet Ergotron’s rigorous internal durability standards, supporting long-term performance in professional environments. Backed by a 10-year warranty, LX Pro provides dependable ergonomic support across any environment.
