Ambient light

Padded deck

Open slot (x8)

Figure 1: *10-Port USB Charging Station with Ambient Light Deck*

- **Open slot (x8):** Holds and organizes tablets, smartphones and other USB powered devices while charging
- **Padded deck:** Holds Bluetooth earphones, speakers, smartwatches or other USB powered device while charging

Light Switch (for ambient light only)

Power Jack   USB Charging Port (x10)

Figure 2: Rear side

- **Light Switch:** Press to turn On/Off the LED Ambient light (power switch for the LED light only, does not control the *Charging Station* itself)
- **Power Jack:** Connects to the included power adapter
- **USB Charging Port (x10):** Powers and charges your smartphone, tablet, and other USB powered devices by USB charging cable (USB cable not included)

Instructions for Use

> **Note:** For optimal charging speed, we recommend using your device's original equipment USB charging cable.

1. Insert the power plug of the included power adapter into the **Power Jack** of the *Charging Station*.
2. Connect the AC power cord to the power adapter and then plug it into a reliable power outlet.
3. Verify the LED of the power adapter is lit to ensure that it's receiving power.
4. Plug your USB device(s) into any **USB charging port** by USB cable (cable not included).
5. *Optional:* Press the **Light Switch** to turn On or Off the LED Ambient light as needed.

Application

10-Port USB Charging Station with Ambient Light Deck is an ideal charging companion which enables you to charge up to 10 USB powered devices simultaneously. Built in 8 individual open slots and a roomy padded deck keep your devices organized while charging.

Figure 3: Application

Troubleshooting

If the *Charging Station* isn't functioning properly:

- Check that the Power Adapter is plugged into a functioning power outlet
- Check that the green LED on the Power Adapter is lit to ensure that it is receiving power
- Check that the USB charging cable is firmly inserted into both the *Charging Station* and your USB device

Notice

- **Always Unplug** the *Charging Station* from the power source when not in use
- **DO NOT** place the *Charging Station* on heated surface or next to other heat sources
- **DO NOT** attempt to replace any parts or open the case of the *Charging Station*, opening the case can cause personal injury due to electrical hazard and will void the manufacturer warranty

- **DO NOT** expose the *Charging Station* to liquids or excessive heat
- **DO NOT** use corrosive cleaning substances on the *Charging Station*
- Keep **out of** the reach of children

Technical Support and Warranty

QUESTIONS? SIIG's **Online Support** has answers! Simply visit our web site at *www.siig.com* and click **Support**. Our online support database is updated daily with new drivers and solutions. Answers to your questions could be just a few clicks away. You can also submit questions online and a technical support analyst will promptly respond.

SIIG offers a 1-year manufacturer warranty with this product. This warranty covers the original purchaser and guarantees the product to be free of any defects in materials or workmanship for one (1) year from the date of purchase of the product.

SIIG will, at our discretion, repair or replace (with an identical product or product having similar features and functionality) the product if defective in materials or workmanship. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Please see our web site for more warranty details.

If you encounter any problems with this product, please follow the procedures below.

A) If it is within the store's return policy period, please return the product to the store where you purchased from.

B) If your purchase has passed the store's return policy period, please follow the steps below to have the product repaired or replaced.

    Step 1: Submit your RMA request.

    Go to **www.siig.com**, click **Support**, then **REQUEST A PRODUCT REPLACEMENT** to submit a request to <u>SIIG RMA</u> or fax a request to 510-657-5962. Your RMA request will be processed, if the product is determined to be defective, an RMA number will be issued.

    Step 2: After obtaining an RMA number, ship the product.

- Properly pack the product for shipping. All accessories that came with the original package must be included.

- Clearly write your RMA number on the top of the returned package. SIIG will refuse to accept any shipping package, and will not be responsible for a product returned without an RMA number posted on the outside of the shipping carton.

- You are responsible for the cost of shipping to SIIG. Ship the product to the following address:

  SIIG, Inc.
  6078 Stewart Avenue
  Fremont, CA 94538-3152, USA
  RMA #: _____

- SIIG will ship the repaired or replaced product via Ground in the U.S. and International Economy outside of the U.S. at no cost to the customer.

About SIIG, Inc.

Founded in 1985, SIIG, Inc. is a leading manufacturer of IT connectivity solutions (including Serial ATA and Ultra ATA Controllers, FireWire, USB, and legacy I/O adapters) that bridge the connection between Desktop/Notebook systems and external peripherals. SIIG continues to grow by adding A/V and Digital Signage connectivity solutions to our extensive portfolio.

SIIG products offer comprehensive user manuals, many user-friendly features, and are backed by an extensive manufacturer warranty. High quality control standards are evident by the overall ease of installation and compatibility of our products, as well as one of the lowest defective return rates in the industry. SIIG products can be found in computer retail stores, mail order catalogs, through major distributors, system integrators, and VARs in the Americas and the UK, and through e-commerce sites.
