# Installations

If your iPad has a previously installed screen protector, please remove it before continuing.

1 Remove the external silicone sleeve by peeling it away from the internal hard case.

2 Gently apply pressure to the small clips (as indicated by the arrows) and unclip all four sides. Once all the sides are unclipped, the internal hard case will open.

3 Insert the iPad into the rear cover.

4 Once the iPad is inside the rear cover, place the internal front cover on top and gently clip all four sides into position.

5 Reinstall the external silicone rubber sleeve.
