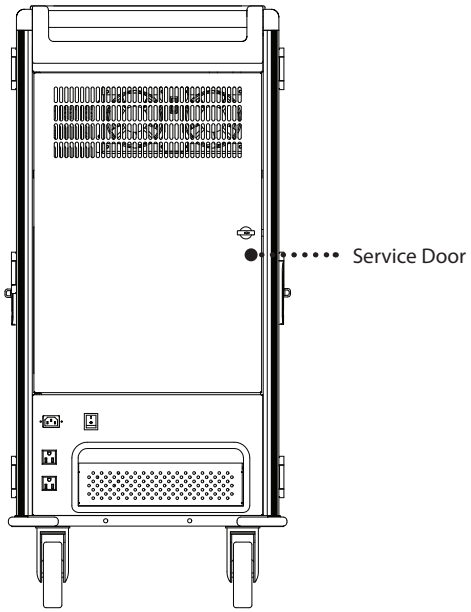
1 SAFETY + WARNINGS

CAUTION

- To reduce risk of electric shock only use this product indoors.
- This product is heavy. Use caution handling and keep upright. Do not attempt to unpack or move it unassisted.
- Use caution when unpacking and save the packing material for later use. Scratches and other damage caused by mishandling is not covered by the warranty.
- Do not allow anyone to sit, stand, or climb on this product.
- Do not block the ventilation holes used for air circulation.
- Do not overload heavy objects on or inside this product.
- Before moving this product, disconnect the power from the wall outlet.
- While moving this product, make sure the power cord is secured.
- This product should always be used by adults or with adult supervision.
- Never unplug this product from the outlet when hands are wet or by pulling the power cord.
- Do not use an extension cord in conjunction with this product.
- Connection to any other type of receptacle other than a two-pole, three-wire grounded receptacle may result in shock hazard as well as violate local electrical codes.
- In the event of an emergency, disconnect the power cord from the AC power outlet.
- Do not plug the input of this product into its own output.
- Do not attach an additional extension cord, power strip, or surge protector to this product.
- Do not attach non-computer-related items, such as medical equipment, life-support equipment, microwave ovens, or vacuum cleaners to this product.
- Place cables in such a way that they won't be pulled or snagged, and no one can step on or trip over them.
- Do not attempt to disassemble this product. This product contains no user replaceable parts. Only factory service personnel may perform repairs.
- If this product is misused, incorrectly operated or repaired, the warranty will be void.
- Do not remove plugs from outlets in use labeled "Do not remove" with a red sticker. These are required for the charging system and auxiliary outlets of the cart to function.
- **Service Door -** Please open only if requested by V7 Technical Support.



Note: The side and rear doors can only be opened by professional technician.
The key for side and rear doors should be kept with Administrator.

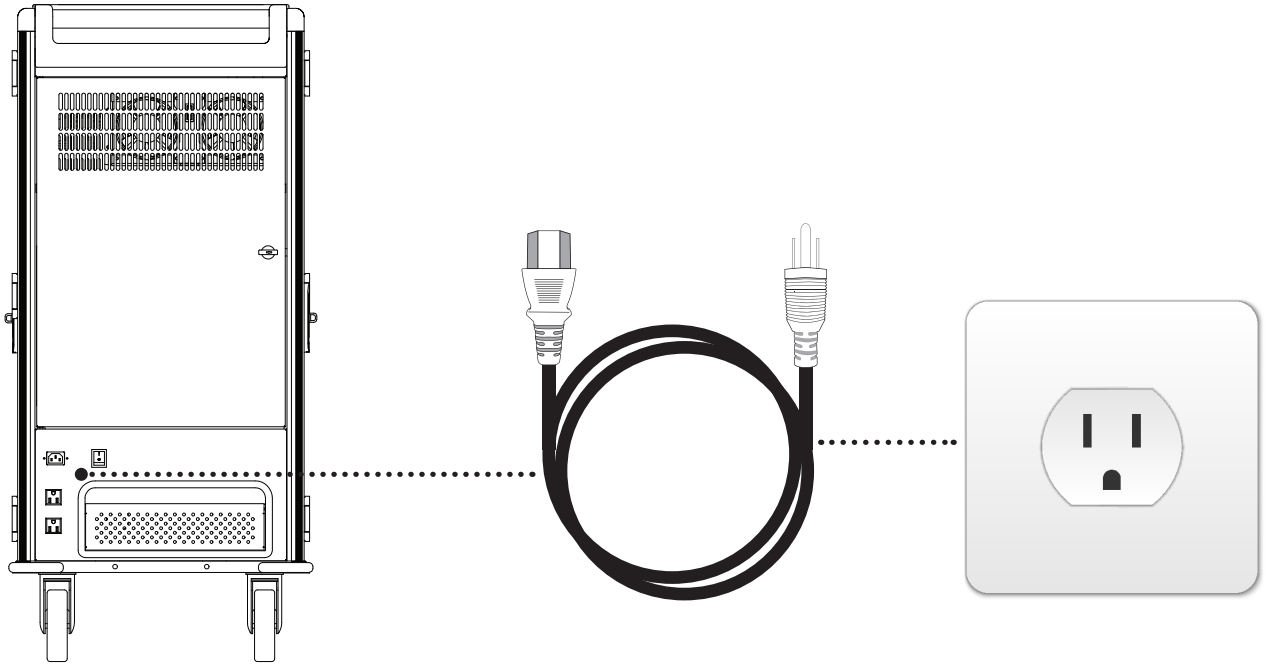
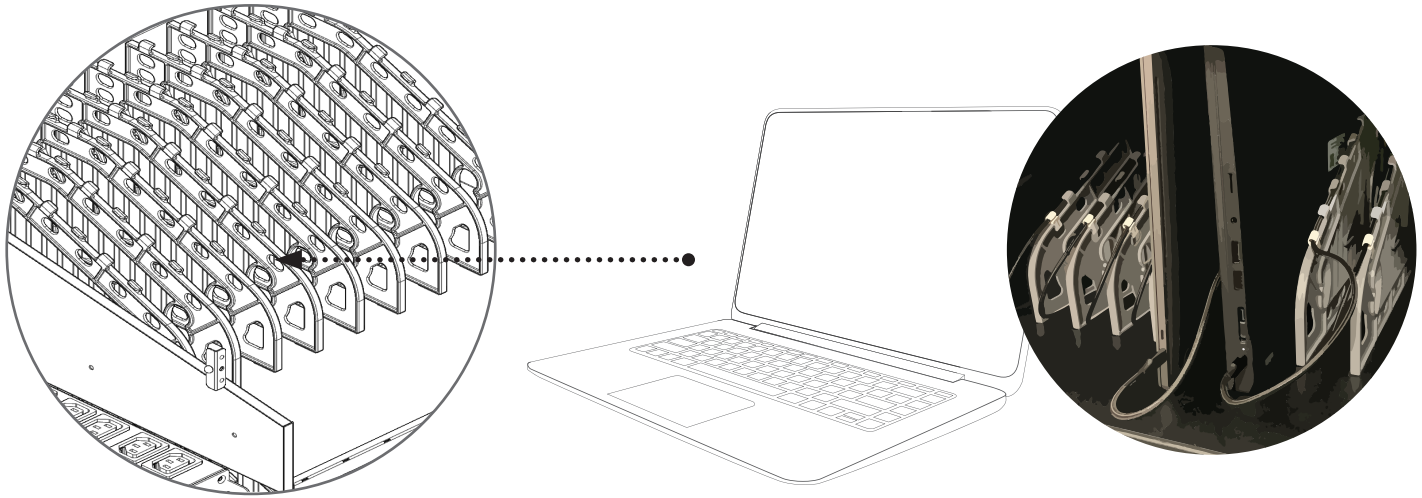
3 SETUP

1. Plug cart into outlet

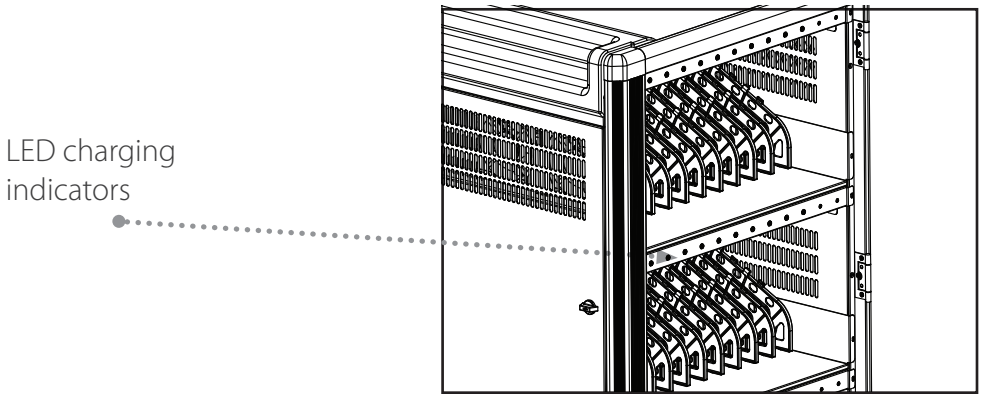


2. Place the devices in the divider, all the charging cables are pre-wired, just use the cable to start charging

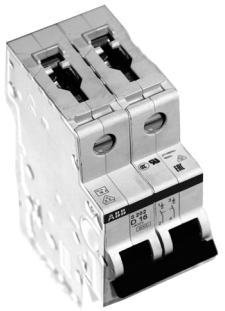


Charging System
Charging all of your devices at one time can overload a typical circuit. V7 Charge Carts are equipped with intelligent charging that automatically switches the power to the USB-C devices that require power up to 65 Watts. To protect against overload, it will decrease the amount of watts to each device, and increases as devices become fully charged or are removed.

Charging system	USB-C Power Delivery (PD) Intelligent Charging System
LED charging indicators	Green: Charging completed / Devices not connected Red (On): Charging LED Off: Not in operation
Time to charge 30 computers	1.45 -2.5 hours
Fast charging	Yes



Circuit Breaker:
There is a circuit breaker on the cart. If there is no power to internal and external outlets, check to see if the circuit breaker is tripped.



4 TECHNICAL SPECS

Cart Dimensions

	CHGCT36USBCPD
Color	Black and Gray
Material	High-grade 18 gauge cold rolled steel
Numbered Device Spaces	36
Organization and convenience	Flexible device dividers with cable channels and numbered device slots, with cable management, prewired USB-C PD, recessed push handle
Warranty	5 Year
Package Contents	Charging Cart, 6 ft (1.83 m) Power Cord, Manual
Input	100-120VAC, 15A, 60HZ
Output	DC5-20V, 3.5A each port Max, total 12A Max
Charging System	USB-C Power Delivery (PD) Intelligent Charging System
Rolling Casters size	5 in (12.7 cm)
Product Dimensions	634 x 500 x 1147 mm
Product Weight	75 kg
Package Size	690 x 560 x 1212 mm
Package Weight	92 kg
Device slot dimensions	34 x 395 x 265 mm
Safety & Compliance	UL, FCC, DOE, RoHS, Reach
Environment*	Operating: -10°C to 40°C Humidity: 20% to 80% RH Storage: -40°C to +60°C Humidity: 20% to 90% RH

*Note: For this charge cart only. Check the environment specifications of the devices you are storing.
